

Dear MPB Families,

This week's folder should have something for everyone:

1. For those 8th grade families who are looking to continue Catholic Education into the high school years, time runs out to register for the TACHS exam this Friday just before midnight. Please click the link below if you have not yet registered.

<https://www.tachsinfo.com/home.aspx>

2. Thank you again for your support with our cash calendars, which are selling very well. We ask that you please try to have your tickets returned on or before October 30th as the first drawing takes place on Sunday, November 1st. You and your buyers will want to be eligible to win right away!

3. Our income surveys are very important for receiving district funding. If you have not returned yours, please do so as soon as possible. Electronic returns are accepted.

4. A reminder that the winter uniform goes into effect this Monday, October 26th.

5. ****COVID AID**** - Many of you may remember and benefitted from COVID tuition relief that was granted last spring. The process has been updated and may be of use to many of you. Please, if your family has been impacted by this pandemic feel free to call the office or email us at mpbschool180.org. Heather Casale, our new admin, besides showing her unique talents in admissions, is well versed in this new application process and is anxious to help out all our families in any way she can.

Have a blessed week everyone!
